FESTIVAL INFO

STARTING TIMES

Doors open 15 minutes before show time, or earlier if the venue is ready. We ask that all 3-Day pass holders & 6-Pack ticket holders arrive no later than 10 minutes before show times. If there are empty seats at the start of a program, we will assume that they are available to release to the general public. We cannot let people into a theater once the film has started. This applies to ALL 3-Day pass holders, 6-Pack ticket holders and individual ticket buyers. Don't be late!

FESTIVAL STORE & HOSPITALITY

Located in the Sheridan Opera House, the Festival Store & Hospitality is the place to pick up your 3-Day Passes or 6-Packs and purchase official Telluride Horror Show merchandise.

See the festival map on the next page.

THEATERS, LINES, & INDIVIDUAL TICKETS

Films screen at the Nugget Theatre, Palm Theatre, and Sheridan Opera House. There are two lines at each venue: 1) Pass holders & 6-Pack ticket holders. 2) The line to buy an individual ticket. Individual tickets are \$20 per person, cash, unless otherwise noted. Individual tickets are only sold at the door and after all pass holders & 6-Pack ticket holders have been admitted.

THE Q SYSTEM

If lines start to form at the theaters, our staff may issue Q tickets. Qs are handed out so we can determine how many people are waiting in line for a film. This tells us if we're going to reach capacity for a show and if we need to tell those at the end of the line to go to another theater. Regardless, if there is a particular program that you really want to see, we highly recommend getting in line at the venue in advance to avoid being turned away to another venue due to a sold-out show.

TBAS (TO BE ANNOUNCED)

We will post any TBAs at the Nugget Theatre, Palm Theatre, Sheridan Opera House, and online.

COVID-19 SAFETY PROTOCOLS

- Proof of full vaccination or a current negative COVID-19 test result required for all attendees.
- Masks required in all indoor spaces per San Miguel County, for everyone. Concessions and beverages are available for purchase - but masks need to stay on while not eating or drinking.
- Friendly reminder: We're here to enjoy our shared love of horror! Let's do just that, instead of talking or complaining about COVID safety protocols, which are routine, worldwide.

 USA | 2021 | 192 min | Director: Kier-La Janisse
PART 1, SATURDAY, 10AM, NUGGET
PART 2, SUNDAY, 10AM, NUGGET

Touching on over 200 films and featuring over 50 interviewees, WOODLANDS DARK AND DAYS BEWITCHED investigates the many ways that we alternately celebrate, conceal and manipulate our own histories in an attempt to find spiritual resonance in our surroundings.
